

Tuscarora Area CHAMBER OF COMMERCE

Mercersburg, Montgomery, Peters, St. Thomas, Warren

Since 1924, TACC has been serving the Tuscarora region; which consists of 207 square miles (Montgomery, Peters, St. Thomas & Warren Townships, as well as the Borough of Mercersburg). As a small non-profit, with limited resources, we are able to offer tremendous benefits to our close to 180 members and do our part to serve the community. Through our events, we bring thousands of visitors to the region, and as the economic development leader of the area we are able to facilitate partnerships and growth opportunities. Throughout the pandemic, we helped members navigate the storm; we look forward to getting back to normal in 2022.

Chris Ardinger, TACC Executive Director

Mission Statement

The Tuscarora Area Chamber of Commerce strives to empower businesses and organizations to fulfill their financial and human potential. The Chamber proactively encourages and facilitates partnerships, networking, and advocacy with its members, affiliates, and government. We contribute to and collaborate with other chamber partners and communities.

Initiatives

TACC is the only unified voice of advocacy for business and economic development in the Tuscarora region. We work to create a conducive environment for attracting business, community investment, and enhancing growth and expansion opportunities for existing businesses.

TACC facilitates partnerships, hosts mixers and luncheons, honors area business and community leaders, provides member referrals, offers member insurance programs, and also represents the region on county-wide boards, committees and projects.

TACC encourages tourism and commerce from our events and advertising initiatives. Over the last two years, we have assisted members with COVID-19 relief resources and helped them navigate the challenges it has brought. Last year, we were also proud to launch a Hometown Hero Banner initiative in downtown Mercersburg.
