

1st Annual John “Grubby” Hill Fly Tying Workshop

Hosted at the Charles Brightbill Environmental Center

September 26 - 3:00

- Participants must be 12 years old or older.
- Instructors will be teaching the basics to tie two specific flies.
- Information about different types of flies and entomology will also be shared.
- There is a \$10.00 registration fee and all participants must pre-register.
- Class size is limited to 8.
- Register by calling the Center at (717) 328-2126 by September 16 or emailing twepmail@gmail.com

Grubby Hill was a local sportsman who loved the outdoors. He enjoyed sharing his stories of hunting and fishing, and was willing to teach others. This annual workshop is to honor him.
